

Press Release – 08-09-09

Havant RFC U8s Star at Twickenham.

Havant Rugby Club's U8s got their new season off to a great start with a trip to London for a tournament and to watch the Guinness Premiership season opening double header at Twickenham Stadium.

To top it all, having put in a fabulous display at the tournament, with a consummate display of whole team rugby, they were awarded with the chance to play an exhibition match on the pitch at Twickenham in front of 68,000 spectators.

Like all great teams the Havant U8s are living proof that the team as a whole is greater than the sum of its parts, with every boy putting in an excellent display of supporting his team mates.

This is just reward for their last couple of seasons of hard work, and vindication of their coaches determination to focus on developing their core skills through fun activities, rather than focusing on complicated moves or the use of one or two of the better players.

It will be hard to top the memories the boys will come away with from their experience, but we will be working hard over the coming weeks to ensure they are well placed to take advantage of any such opportunities again.

If you would like your boys or girls to be part of our happy team simply visit www.havant-rfc-mj.co.uk for our contact details.
