MINI & JUNIOR SECTION

Havant Rugby Football Club is the largest and most successful Rugby Club on the South Coast. Our first XV play in National League South, our seconds in the Canterbury Shield, our thirds in the Hampshire merit table and our mariners, or 'veterans of the club' play in the Hampshire Vets cup. This season we are establishing a social 'fourths' as a result of popular demand.

Our Mini and Junior Section caters for children from 5 years of age to 16. Under 17s and above move to our Academy which caters for players from U17 – U19. The Academy serves as a transition to Senior Rugby and is open to all, there is no selection criteria. All sections are affiliated to Hampshire RFU and in turn to the RFU, our governing body.

Many of our current 1st XV players are home grown. Last season 17 players out of a squad of 34 were 'home grown.' They started in our Mini and Junior Section which meets on Sundays from 09:45 until 12:00. We offer rugby for absolutely everyone from the age of 5. With over 370 registered players last season we must be doing something right!!! Girls' rugby also thrives; the girls play in mixed groups up to the age of 12, and then move to separate squads at U14 and U17

- **We provide Rugby For All, whatever your ability, sex, creed or colour**
- **You pay, you play**
