29th October 2007

Havant Minis Celebrate Success at Trojans Festival

Havant minis proved a force to be reckoned with yesterday at the Trojans festival, with the U8s and U11s taking away the silver. Sadly the U9s and 10s just missed out, runners up in the competition and the U12s - runners up in the plate. The U7s, many playing their first festival, were semi finalists.

The damp dismal conditions did little to dampen the passion and spirit of Havant players at the Trojans Festival on Sunday 28th October. They took on all the key teams in the area including Trojans, Portsmouth and Fareham & Gosport. Players from as young as 6 travelled from Havant to take part, the competition spanning the minis age groups, U7s to U12s.

“The minis results at Trojans Festival is fantastic,” said Youth Chairman, Gill Gray. “There is such a love of rugby at the club, and it’s wonderful to see children as young as six having so much fun. Many playing at the festival yesterday also attended our October camp last week, and met a player destined for the world stage – Danny Cipriani. His current form is phenomenal and may just have added the extra bit of magic for our players yesterday.”

Notes to Editors

Havant Rugby Club is the South Coast's premier team, enjoying a national league ranking and providing some of the most exciting and competitive senior team rugby in the area.

This national platform has enabled a framework to develop one of the largest and most successful minis and junior sections within the region. Believing in excellence and sportsmanship, the club provides weekly training and matches for players of all ages and abilities, as well as the opportunity to mentor young players through the pitfalls of the game as they progress.

Within Hampshire, Havant RFC has the highest number of youth players from any one club in the London Irish Academy.
